

MMSA Sale Items

Effective immediately, MMSA Sales Items will be sold directly to members ONLY at official MMSA gatherings—the annual meeting in January of each year and the Fall Tour each September. We will no longer be stocking and shipping orders directly to members at other times of the year. Instead, these items will be stocked and sold throughout the year by MMSA Vendor Partners. Items will be available for pick up or shipment from participating Vendors at the standard MMSA price.
